"Saving America's Horses" launches inspirational message to win National TV campaign for horses.

"Saving America's Horses" now brings the story about our horses to the mainstream through an upbeat and stimulating message sure to win the hearts of Americans. The goal is to captivate viewers in just 25 seconds and move them to action. [Vote now](#) to help bring this message out to the mainstream and onto national TV.

The "Saving America's Horses" 25 second promo spot is energized with a delightful and motivating song entitled "Make That Change" which was just recently licensed for use in this awarding winning landmark documentary. "Wild for Life Foundation is thrilled and honored to launch this effort with such a magnificent song!" - Katia Louise Filmmaker, "Saving America's Horses"
