Amy and Raelyn Nelson have joined WFLF Humanion Films' efforts as Special Guest Speakers and Cast for Saving America's Horses - A Nation Betrayed!

WFLF Humanion Films is pleased to announce that **Amy and Raelyn Nelson** have joined WFLF **Humanion Films'** efforts as Special Guest Speakers and Cast for **Saving America's Horses - A Nation Betrayed!** The Nelson family has been raising awareness to end horse slaughter for almost ten years. Willie Nelson's daughter, and grand-daughter, Amy and Raelyn (Aunt and Niece), have been working locally in their state of TN and federally on behalf of the horses. They have lobbied in Washington D.C. on multiple occasions to gain support for the Prevention of Equine Cruelty Act (H.R 503/ SB. 727). The girls and Willie all speak at various venues in effort to teach others how to show support for the Prevention of Equine Cruelty Act and also the Restore Our American Mustangs Act ROAM to amend the 1971 Free Roaming Wild Horses and Burros Act.
