Without a doubt this trailer is FANTASTIC!!!!...The footage with Congressman Whitfield and LT. Governor for the San Idelfonso Pueblo makes it especially powerful.

SAVING AMERICA'S HORSES A NATION BETRAYED depicts a country divided and inspires great hope for the protection of all horses. It's a tender yet honest look at the reality that our American horses are born into, the love, joy and respect they give us and in contrast, the complacent mindset of the pro slaughter proponents.

The Official Film Trailer will be released later in November.

Humanitarians, animal lovers and horse enthusiasts are requested to tell their friends and family about SAVING AMERICA'S HORSES A NATION BETRAYED.
