The special edition [Preview Trailer](#) for SAVING AMERICA’S HORSES A NATION BETRAYED is available on the official film website. The [Preview Trailer](#) presents the inspirational tone of the film while also serving to raise awareness for the CAUSE. SAVING AMERICA’S HORSES A NATION BETRAYED depicts a country divided and inspires great hope for the protection of all horses and burros. It’s a tender yet honest look at the reality that our American horses are born into, the love, joy and respect they give us and in contrast, the complacent mindset of the pro slaughter proponents.
