

## SAVING AMERICA'S HORSES

### Meet Carmel: Saving America's Horses' **Hero for Horses Ambassador**

Carmel is a Thoroughbred racehorse with a winning track record, but she, like 1000's of other Thoroughbreds in the U.S. was not provided protection, safety and welfare following the end of her career.

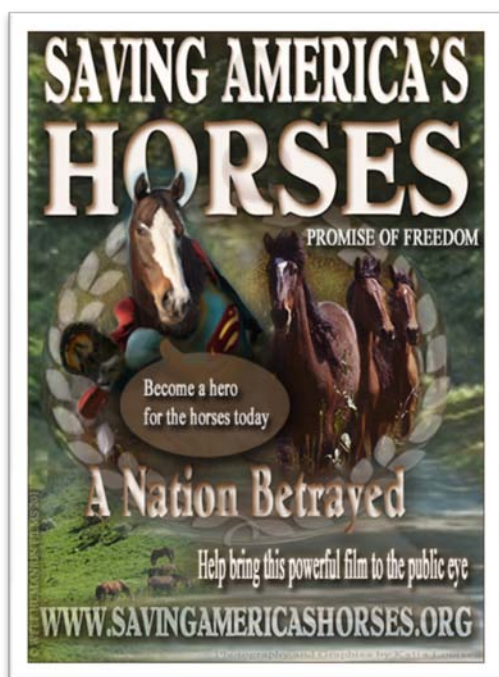

Carmel was sold at auction for slaughter, but just before being shipped she was rescued by Wild for Life Foundation. Though she was underweight and traumatized from the ordeal, she has made a full recovery.

Thanks to the generous donations of supporters like you, WFLF's Lifetime Equine Refuge has been able to provide Carmel the guarantee of lifetime care.

Lifetime Equine Refuge together with the Saving America's Horses initiative is proud to welcome Carmel as the new Ambassador of the **Hero for Horses** campaign which will help launch the landmark film, "**Saving America's Horses - A Nation Betrayed**" into the mainstream.
