FOR IMMEDIATE RELEASE
Sept 10, 2009,

WFLF Humanion Films is pleased to announce that Singer, Songwriter, Maria Daines has joined the film production as an Honorary Board Member for Saving America's Horses, A Nation Betrayed. Maria has graciously donated several songs to the film in support of the CAUSE.

Maria Daines is a multi-award winning International vocalist and songwriter whose band supported US artist Pink at Cardiff International Arena for the Party For Animals World Wide in August 2007. The concert raised over £90,000 for six animal welfare charities. Based in the UK, Maria is an advocate for animal rights and welfare campaigning against breed specific legislation and many other issues of animal cruelty. Maria is Patron of Dog Watch UK - The Staffy Campaign, Patron of Cornwall's Voice For Animals, Animal SOS Sri Lanka, Doris Banham Sanctuary, The Racing Dog Protection Act, Honorary Member of Skiathos Cat Society and co-founder of One Life Rescue, helping unwanted dogs in crisis and emergency situations. Maria is also a member of Animals Count, a political party which aims to take animal issues to the top of the political agenda through setting the best policies for animals and encouraging existing political parties to become more animal friendly.

In support of the mission for the film project, to protect all horses from slaughter, Humanion Films recently released the issue trailer. Representatives are confident that the trailer will raise awareness and support for the CAUSE and hope to inspire more support for the making of the film through completion. <http://www.savingamericashorses.org/issuetrailerflv.html>
