Humanion Films has just released a special edition [Preview Trailer](#) for SAVING AMERICA'S HORSES A NATION BETRAYED. The [Preview Trailer](#) presents the inspirational tone of the film while also serving to raise awareness for the CAUSE. SAVING AMERICA'S HORSES A NATION BETRAYED depicts a country divided and inspires great hope for the protection of all horses and burros. It's a tender yet honest look at the reality that our American horses are born into, the love, joy and respect they give us and the disposable mindset of modern day society.

The Official Film Trailer will be released later in November.
