Bi Coastal Theatrical Roll-out — SUCCESS! Film moves NYC & LA audiences, touching hearts and inspiring change... Audiences want more! Peter Max Reception — SUPERB! Victory celebration / opening party — AMAZING!

Movie Reviews:

**"Winner of numerous awards... Outstanding footage, and expert testimony exposes the legal, ethical, economic and humane issues of these glorious creatures."**

— Serita Stevens LA SPLASH MAGAZINE

**"A searing indictment of corporations, institutions and governmental agencies involved in the slaughter of horses, Katia Louise's impassioned pic amasses impressive documentation, visual and testimonial, of systemic mistreatment of the animals, illegal and fraudulent practices regulating their sale, and the very real possibility of their extinction in the wild."**

**"...contrasts shots of noble, beautiful, galloping animals... with well-researched, shocking statistics."**

— Ronnie Scheib VARIETY

**"...cannot fail to move..."**

— Michelle Orange LA WEEKLY

**"Filled with facts... Saving America's Horses details the corrupt and negligent practices surrounding the slaughter of over 100,000 horses a year. Special censure is reserved for the Bureau of Land Management's apparent brief against wild horses and the dismantling a protective 1971 government act."**

— Nicholas Rapold NY TIMES

**"You won't attend a horse race again with the same lighthearted spirit after seeing *Saving America's Horses: A Nation Betrayed*.**

**"...impassioned..."**

**"...takes no prisoners..."**

— Frank Scheck HOLLYWOOD REPORTER

**"Unpacks a multi-layered conspiracy — fueled by a parade of misinformation— against the survival and proliferation of horses."**

— Gary Goldstein LA TIMES
