## SAVING AMERICA'S HORSES; A United Voice for Freedom, Hope and Integrity

Set against some of America's most pristine sweeping landscapes, **SAVING AMERICA'S HORSES** brings to screen magnificent scenes of both wild and domestic horses and burros, together with riveting interviews by nationally renowned veterinarians, trainers, professors, investigators, policymakers and members of the equine community.

**SAVING AMERICA'S HORSES A NATION BETRAYED** is a powerful feature documentary film with a deeply passionate look into the world of both wild and domestic horses; their connection to our history and the future of humanity. It's an intelligent and hard hitting exposé that reveals how the public has been misled by government agencies and corporate interests that run over the laws that are supposed to protect the public, the horses and the environment.

"We are thrilled to celebrate the 10-Year Anniversary of **SAVING AMERICA'S HORSES'** bicoastal theatrical release and qualification for the Oscars." – **Jay Coskie**, Saving America's Horses Development & Outreach Director, VP WFLF Humanion Films "This touching yet powerful film delivers provocative storytelling which immerses its audience in a unique and compelling experience; to not only empower them to effect social change, but leaving them wanting to watch it over and over and over again."

"A provocative rallying cry for justice and integrity" - **THE QUAD CINEMA, NYC.**  
"Outstanding" - **LA SPLASH MAGAZINE.** "Impassioned" - **HOLLYWOOD REPORTER**  
"Shocking statistics..." "A searing indictment" –**VARIETY.** "Filled with facts" - **NY TIMES**  
"Unpacks a multi-layered conspiracy - fueled by a parade of misinformation- against the survival and proliferation of horses" - **LA TIMES**

"The 10-Year Anniversary Release of **SAVING AMERICA'S HORSES** will help lead the way as we look forward to the much anticipated sequel." - **Cheryl Casati**, WFLF Advisory Board, Master Trainer and Equestrian Professional, ABRS TC, Retired U.S. Air Force. "Through digital distribution viewers will soon be able to experience this landmark film from around the world in the comfort of their home on their computer, TV or mobile device."
